LOOK OUT FOR K. U.

Nebraska Begins to Worry About Kansas Game.

Lawrence, Kan., Nov. 3.—"Look out for Kansas." This is the information that the followers of the Jayhawkers are turning out to Nebraska and Missouri. While the Tigers are gnashing their teeth and showing other signs of being "mad" about the \$4 to 6 defeat at Lincoln last Saturday, and the Cornhuskers are patting themselves on the back, the Kansas team is plugging away on the field and saving nothing. Coach Sherwin has become famous at K. U. because of his stolid silence and the Drake victory last week has not changed his attitude in the least.

With the Washburn game, supposedly an easy contest, on the schedule for Saturday, Sherwin is using the same high pressure training methods as before the Drake game. There is no let up of the work. It was a day that the men could not see the ball before the Jayhawkers were allowed to stop the scrimmage work with the strong freshman eleven. The light game was booked for the end of the week the Jayhawkers could put in no harder practice than they are for Driver's Topeka machine.

Time Looks Good to Sherwin. Three weeks until the Nebraska game seems like a long time to some, and it may be to the Cornhuskers, but not so to Sherwin. He is utilizing every minute of the three hours of practice each afternoon to the utmost. Probably more time is given to work with the linemen than the backfield. Weidline, who took Allen's place at center, is showing up well in scrimmages. The time and when Stiehm's pupils come to Lawrence, Hornberger will find his opponent to be one of the hardest fighters K. U. ever has had on an eleven.

CARLISLE IS AWAY AHEAD. Indians Have Scored Most Points of Any Eastern Team.

With the football season entering its last month, it is interesting to look over the work of the various eastern teams. A little daylight is being seen on the gridiron horizon, although it still is too early to form any definite opinion regarding the relative strength of the different teams. At the present moment Harvard, West Point, Penn State and the Carlisle Indians have done the best work. The standard of play uncovered by the crimson last Saturday places the Cambridge team in first position. The score rolled up on Brown was really astonishing, inasmuch as all believed that the Providence eleven was exceptionally strong this year.

The Carlisle Indians have played the most games and have scored more points against opponents than in any other aggregation. The redmen have not as yet lost a game, nor have they as yet met a first class team. To roll up big totals on Lebanon Valley, Wittenberg and similar teams is no criterion that Carlisle is represented by a wonderful eleven. Both Mount St. Mary and Georgetown scored on the redmen, each aggregation making a touchdown.

MOSSIE BACK TO KANSAS U. Former Assistant Coach May Help Prepare for Nebraska.

Lawrence, Kan., Nov. 3.—The visit of Arthur St. Leger Mossie in Lawrence may have been more than a visit. According to the best information, it seems quite likely that Mossie will help train the K. U. squad. When Mossie left he said he would return the first of next week.

There was a long conference between the former mentor and those high up in football things at K. U. At this meeting an assistant coach was mentioned. But there are certain difficulties that must be overcome. Certain rules and regulations made by the Missouri Valley conference must be complied with.

Under Kennedy, Mossie was for years the assistant in the gridiron game and a great assistant he was, too. He would be a valuable assistant to Coach Sherwin. He is a Kansas man, knows the game and is a favorite with all of the football men who ever came to K. U. He is wanted to help prepare the team for the K. U. game.

COACH TAKES NO CHANCES. Nebraska's Strongest Lineup to Go Against Iowa "Aggies."

Lincoln, Nov. 3.—The Nebraska football squad has indulged in its hard scrimmage practice prior to the game Saturday with Ames. The team left today for the Iowa Agricultural college. With the exception of Ruely, sub halfback, who will hardly be able to play before the game with Kansas, all the regulars are in good trim. Coach Stiehm, with the Missouri valley championship now at stake, is to take no chances in the contest with the Iowa "Aggies" and will put in his strongest lineup.

SAYS MATT FEARS WOLGAST. Tom Jones Intimates British Fighter Is Afraid.

Milwaukee, Nov. 3.—Lightweight Champion Ad Wolgast and Matt Wells, lightweight champion of England, are not likely to engage in a boxing contest, ac-

ording to a message received here from Tom Jones, Wolgast's manager, Jones says.

"After much wrangling and a trip to New York I am convinced that Wells does not want any of Wolgast's game. I conceded every point to him and accepted the terms of two clubs in New York but they could not induce Wells to listen to any reasonable proposition. We will pay no more attention to Wells but will be ready to meet Puckey McFarland or any one the public may select after the Welsh bout."

EMPIRE'S JOB IS SOFT. Get \$100 Per Game for Working in World Series.

Umpires Connolly, Dinneen, Klem and Brennan, who officiated in the world's series, will receive \$50 each for their labors—\$100 a game. Their traveling and hotel expenses will also be paid, the money coming from the National Commission's 10 per cent rakeoff. The commission's expenses during the series will amount to a tidy sum. The balance of the money deducted from the receipts will be placed in bank to defray the expenses of the commission during the entire year.

Pays Commission's Expense. This includes office rent in Cincinnati, clerk hire, a \$5,000 salary paid to Chairman Herrmann, the salaries of Secretary John E. Bruce, and his assistant, A. J. Flanner, printing, postage, telegraph tolls and railroad fares. By taking 10 per cent of the post-season games the commission is self-supporting and is not compelled to call upon the big major league for assessments.

CHECKER TOURNAMENT SUNDAY. Fifty Players Expected to Attend Meet at Hutchinson.

Hutchinson, Kan., Nov. 3.—The Kansas state checker tournament will be held in Hutchinson Sunday and Monday, and every checker player of note in the state will be here for the big state contest that is to be held under the auspices of the Kansas Checker club. At least fifty of the most noted checker players of Kansas, including the present champion, Dr. Lane, of Wichita, and several former champions, will be in attendance at the big checker meeting.

JURY FAILS TO AGREE.

Mistrial Is Recorded in the Case of Mrs. Zee Runge McRee.

Opelousas, Nov. 3.—Mistrial was recorded in the case of Mrs. Zee Runge McRee, accused of the murder of Allan Garland, the young Tulane student. The jury which had been out since noon yesterday reported this morning it could not agree. Mrs. McRee had expected a speedy acquittal on her declaration that she shot young Garland "in defense of her honor."
